

**Empowering Industries
with Excellence**

Lubricant Additives & Components

About Us

- We are Manufacturer & Exporter and trader of Lubricant Additive Packages & Components.
- We provide to our customers access to high-value quality products at more competitive prices.
- Petropac has become a market-leading brand where the entire production process from Product Conception to Delivery to the customer is developed using advanced technologies to guarantee the highest quality.
- Petropac is well equipped with its In-House manufacturing back-up, strong technical team, experienced Research and Development Center.
- Petropac carries out strict product Quality Control at every step of its manufacturing process.
- We are Well Known for offering products of International Quality Standards
- We have matched FTIR of World's top four Companies product.
- Our Goods well-appreciated across the world.

Our Core Strength

CUSTOMIZED SOLUTION

Petropac also recommends and provides our clients appropriate formulations to produce excellent quality & most economically blended lubes.

RESEARCH & DEVELOPMENT

Petropac offers a variety of products to customers to choose from and which plays an important role in maintaining their competitive edge. Due to the in depth product knowledge, the R & D Center offers customized solutions.

RELIABILITY & GUARANTEE

Petropac undertakes total responsibility for its supplied products. We guarantee our customers to deliver standardized products which will meet their expectations fully and serve them with the highest standard of Integrity.

Our Mission

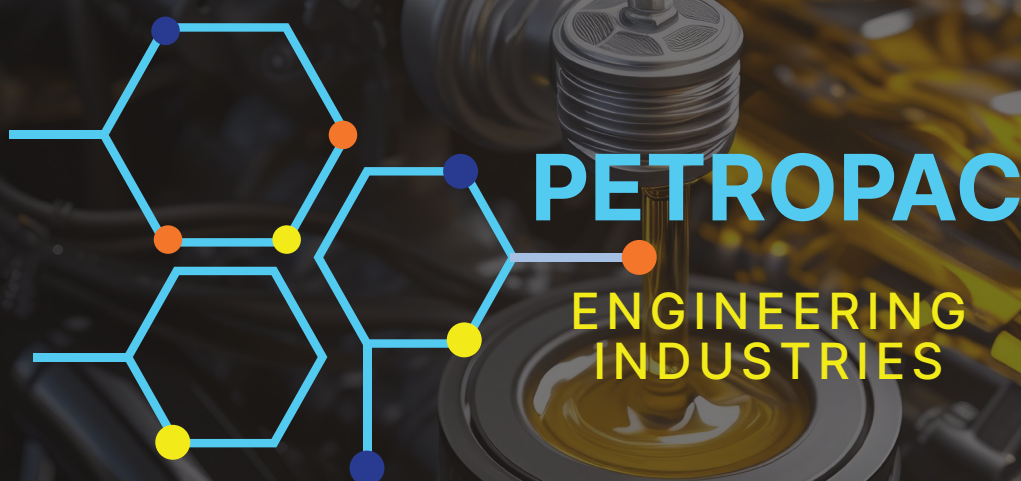

Deliver innovative, high-quality lubricative additives, enhancing machinery efficiency and sustainability through rigorous quality control and research.

Our Vision

Lead the lubricative additives industry with innovative, sustainable solutions, driving global efficiency and environmental responsibility.

Our Values

Integrity, Innovation, Discipline, Trust, Sincerity, Passion and Social responsibility.

Lubricant Additive Components and Packages

◆ Detergents

Sr. No.	Product Code	Product Description
1	HH 6001	Low Base Synthetic Alkyl Benzene Calcium Sulfonate
2	HH 6002	Middle Base Synthetic Alkyl Benzene Calcium Sulfonate
3	HH 6003	High Base Number Synthetic Calcium Sulfonate
4	HH 6004	High Base Number Synthetic Calcium Sulfonate
5	HH 6005	Super High TBN Synthetic Calcium Sulfonate
6	HH 6006	Super High-based Synthetic Calcium Sulfonate for Grease
7	HH 6007	Super Over based Synthetic Magnesium Sulfonate-TBN400
8	HH 6008	Super High-based Synthetic Magnesium Sulfonate - TBN600
9	HH 6009	Super High-based Synthetic Magnesium Sulfonate- TBN500
10	HH 6010	Long-chain Linear Alkyl Benzene Sulfonic Acid
11	HH 6011	Medium Based Sulfurized Calcium Alkyl Phenol
12	HH 6012	High Base Number Sulfurized Calcium Alkyl Phenol
13	HH 6013	Super Over based Sulfurized Calcium Alkyl Phenol
14	HH 6014	Dodecyl Phenol
15	HH 6015	TBN 400 (CPS)
16	HH 6016	Medium Base Number Salicylate Calcium Detergent.
17	HH 6017	High Base Number Salicylate Calcium Detergent

◆ Dispersants

Sr. No.	Product Code	Product Description
1	HH 6101	Single Alkenyl Succinic Imide
2	HH 6102	Polyisobutylene Succinimide
3	HH 6103	Explosive Emulsifier
4	HH 6104	High Molecular Weight Polyisobutylene Succinimide
5	HH 6105	Polyisobutylene Succinic Anhydride
6	HH 6106	Polyisobutylene Succinic Anhydride
7	HH 6107	Ashless Dispersant
8	HH 6108	Polyisobutene bis-succinimide type lube oil additives
9	HH 6109	High Molecular Succinimide
10	HH 6110	Polyisobutylene succinic anhydride

◆ Antiware Agent

Sr. No.	Product Code	Product Description
1	HH 6201	Zinc Butyl Octyl Primary Alkyl Dithiophosphate (ZDDP)
2	HH 6202	Zinc Dioctyl Primary Alkyl Dithiophosphate
3	HH 6203	Zinc Primary-secondary Alkyl Dithiophosphate
4	HH 6204	Zinc Secondary Dialkyl Dithiophosphate
5	HH 6205	Zinc Long-chain Alkyl Dithiophosphate
6	HH 6206	Molybdenyl Dialkyl/ Dithiophosphate

◆ Extreme Pressure Antiwear Addit

Sr. No.	Product Code	Product Description
1	HH 6301	The non-sulfur phosphorus molybdenum
2	HH 6002	Triphenyli-Thiophosphate
3	HH 6003	Ash Free Antioxidant
4	HH 6004	Sulfurized Isobutylene
5	HH 6005	Boronizing phosphorus amine ester

◆ Antioxidant

Sr. No.	Product Code	Product Description
1	HH 6101	2,6-di-Tertiary Butyl Para-Cresol
2	HH 6102	Mixture Liquid Hindered Phenol
3	HH 6103	Benzotriazole Derivative
4	HH 6104	Thiadiazole Derivative
5	HH 6105	Ester Phenolic Antioxidant
6	HH 6106	Amine Type Antioxidant
7	HH 6407	Amine Type Antioxidant
8	HH 6408	Thioether Type Antioxidant

◆ Anti Rust Additive

Sr. No.	Product Code	Product Description
1	HH 6501	Synthetic Barium Sulfonate
2	HH 6502	Sodium Petroleum Sulfonate 50%
3	HH 6503	Dodecylene Succinic Acid
4	HH 6504	Sorbitan Monooleate

◆ Viscosity Index Improver

Sr. No.	Product Code	Product Description
1	HH 6601	EMP Ethylene Propylene Rubber
2	HH 6602	Ethylene Propylene Rubber
3	HH 6603	Polymethacrylate
4	HH 6604	Ethylene-Propylene Copolymer V100=3000
5	HH 6605	Ethylene-Propylene Copolymer V100=4000
6	HH 6606	Ethylene-Propylene Copolymer V100=1000-1100
7	HH 6607	Ethylene-Propylene Copolymer V100=1000-1100
8	HH 6608	5W40 High-grade Diesel Engine Oil Viscosity Index Improver
9	HH 6609	High-grade Gasoline Engine Oil Viscosity Index Improver
10	HH 6610	Viscofier for Water Glycol Fire-retardant Hydraulic Fluid
11	HH 6611	PIB1300 Polyisobutene with the Low Molecular Weight
12	HH 6612	PIB 2400 Polyisobutene with the Low Molecular Weight
13	HH 6613	OCP Viscosity Index Improver
14	HH 6614	OCP Viscosity Improver
15	HH 6615	OCP Viscosity Index Improver

◆ Pour Point Depressants

Sr. No.	Product Code	Product Description
1	HH 6101	Ploy- α -Olefin Pour Point Depressant
2	HH 6102	Pour Point Depressant for Paraffin Base Oil
3	HH 6103	Pour Point Depressant For Intermediate Based Oil
4	HH 6104	PMA Polymethacrylate PPD
5	HH 6105	PPD

◆ Antifoam Additive

Sr. No.	Product Code	Product Description
1	HH 6801	Water Soluble Antifoam Additive
2	HH 6802	High Reactive Type Antifoam Agent for Lubricant

◆ Gear Oil Additive

Sr. No.	Product Code	Product Description
1	HH 6901	Gear Oil Additive Package
2	HH 6002	Gear Oil Additive Package
3	HH 6003	Low Order Gear Oil Additive Package
4	HH 6004	Worm Gear Oil Additive Package
5	HH 6005	Manual Transmission Oil
6	HH 6005	Automatic Transmission Fluid Additive Package
7	HH 6005	Multifunctional Universal Gear Oil Additive Package (GL4/ GL5 and Industrial)

◆ Hydraulic Oil Additive

Sr. No.	Product Code	Product Description
1	HH 6950	Anti-wear Hydraulic Oil Additive Package
2	HH 6951	Anti-wear Hydraulic Oil Additive Package
3	HH 6952	Anti-wear Hydraulic Oil Additive Package
4	HH 6953	Hydraulic Transmission Oil Additive Package
5	HH 6954	Ashless Anti-wear Hydraulic Oil Additive Package
6	HH 6955	Ashless High Pressure Anti-wear Hydraulic Oil Additive Package
7	HH 6956	High-Pressure Anti-wear Hydraulic Oil Additive Package
8	HH 6957	Oil Film Bearing Oil Additive Package
9	HH 6958	Spindle Oil Additive Package
10	HH 6959	Industrial Water Ethylene Glycol Fire Resistant Hydraulic Oil Additive Package
11	HH 6960	Industrial Slide Way Oil Additive Package
12	HH 6961	Hydraulic Rail Oil Additive Package
13	HH 6962	Additive Package for Hydraulic (HL and HLP)

◆ Industrial Oil Additive

Sr. No.	Product Code	Product Description
1	HH 7001	Turbine Oil Additive Package
2	HH 7002	Turbine Oil Additive Package
3	HH 7003	Air Compressor Oil Additive Package
4	HH 7004	Air Compressor Oil Additive Package
5	HH 7005	Quenching Oil Additive Package
6	HH 7006	Quenching Oil Additive Package

◆ Heavy Duty Diesel Oil Additive

Sr. No.	Product Code	Product Description
1	HH 7101	SL/CF/CF-4 down to SB/CB
2	HH 7102	CF/SF
3	HH 7103	CI-4 PLUS/CI-4/CH-4
4	HH 7104	CH-4/SJ
5	HH 7105	CF/SF To CB/SB
6	HH 7106	CI-4/CH-4
7	HH 7107	CF4/CH4/CI4
8	HH 7108	CI-4/SL, CH-4/SL, CG-4/SL, CF-4/SL
9	HH 7109	CI-4/CH-4/CG-4/CF-4/SL
10	HH 7110	CK-4/CJ-4/CI4+/CI-4/CF/SN
11	HH 7111	SC/CC To CI4 Plus

◆ Passenger Car Motor Oil Additive

Sr. No.	Product Code	Product Description
1	HH 7201	Engine Oil Additive Package
2	HH 7202	Engine Oil Additive Package
3	HH 7203	SL/SM/SN
4	HH 7204	SL/CF
5	HH 7205	SN/CF TO SG/CD
6	HH 7205	SN/CF TO SG/CD
7	HH 7205	SN/CF TO SG/CD
8	HH 7205	SN/CF TO SG/CD
9	HH 7205	SN/CF TO SG/CD
10	HH 7205	SN/CF TO SG/CD

◆ 4-Stroke Engine Oil Additive

Sr. No.	Product Code	Product Description
1	HH 7301	SL/SM/SN
2	HH 7302	SN/JASO MA2
3	HH 7303	SM/SL/SJ/SG
4	HH 7304	SL/CF-4, SL/JASO MB, MA2, SJ/CD
5	HH 7305	SN/JASO MA2
6	HH 7306	SN/JASO MB
7	HH 7307	SJ/SL-CF4/SM/SN

◆ 2T Engine Oil Additive

Sr. No.	Product Code	Product Description
1	HH 7201	API 2T, FBTC

◆ Universal Tractor Transmission Oil Additive

Sr. No.	Product Code	Product Description
1	HH 7501	Tractor Fluid Pack (UTTO Tractor Fluids attending MF 1145/ CNH 3525/ John Deere JD 20C

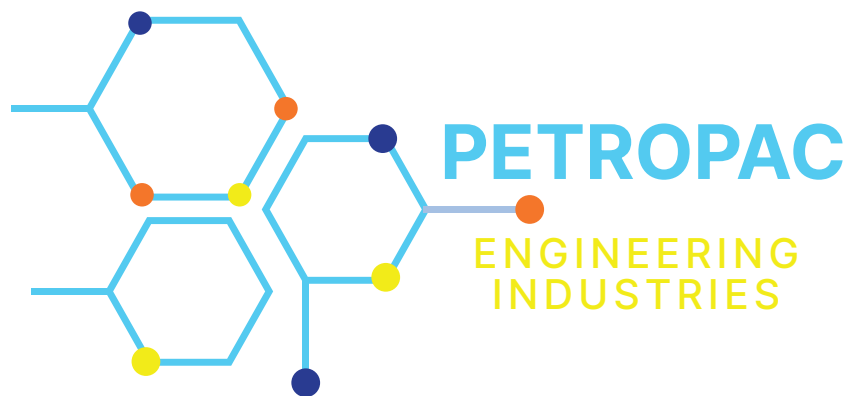

◆ Automatic Transmission Fluid

Sr. No.	Product Code	Product Description
1	HH 7601	ATF Fluids pack (TASA, DEXRON II, III, DEXRON VI, CVT...)
